

Frequently Asked Questions: Connect with Confidence™

Are you looking to build authentic professional relationships and expand your network with ease? Connect with Confidence™ provides the expert guidance and practical tools you need to make meaningful connections that align with your goals and personal style.

Course Content & Value

What does this course cover?

Connect with Confidence™ includes 5 comprehensive modules of expert video training (2.5 hours total) that teach you how to:

- Start meaningful professional conversations that feel natural
- Follow up authentically
- Maintain professional relationships without feeling pushy
- Expand your network at your own pace
- Use provided scripts, templates, and tracking tools

Can I preview the course before purchasing?

Yes! We offer a free preview of our introductory module so you can experience our teaching style, course quality, and course overview firsthand. [Click here to access the introduction](#) and see how we'll help you build authentic professional relationships that advance your career.

What if I really dislike networking?

This course is specifically designed for professionals who find traditional networking uncomfortable. You'll learn approaches that feel genuine and natural, allowing you to build connections at your own pace without feeling pushy or inauthentic.

How can this course help my career?

In today's professional world, most jobs are not posted online; they are filled through professional relationships. And, recruiters and hiring managers prefer to hire candidates they know, like, and trust. Gaining a competitive edge requires strong qualifications and building

Frequently Asked Questions: Connect with Confidence™

professional connections. This course teaches you how to cultivate those meaningful relationships authentically.

How is this different from other networking courses?

Connect with Confidence™ is specifically designed for women in the mid-stage of their career. It focuses on authentic relationship building rather than transactional networking. You'll learn practical strategies that align with your personal style and comfort level, supported by ready-to-use templates and tools.

What results can I expect?

Like our client Gina G., you'll develop:

- Confidence in starting professional conversations
- Strategies for identifying and connecting with relevant contacts
- An actionable plan for career development
- Tools for maintaining genuine professional relationships

Format & Access

What technology do I need to take this course?

The course is designed to be simple and accessible. You'll just need:

- A reliable internet connection
- A computer, tablet, or smartphone
- A current web browser (like Chrome, Safari, or Firefox)

No special software or technical expertise required!

How is the course delivered?

The course is delivered through our user-friendly Teachable platform, featuring:

Frequently Asked Questions: Connect with Confidence™

- 5 video training modules (2.5 hours total)
