My Interview Impact Guide

Transform Experiences into Confident Responses

Successful interviews start with understanding your true value. Let's begin!

Your Unique Value

Professional Impact: List 3 times you made a difference at work

1. _____
2. _____
3. _____

Life Lessons: List 3 personal achievements that taught you something valuable

1. _____
2. _____
3. _____

Your Authentic Expertise

For each experience above, identify:

- What challenge did you overcome? _____
- What approach made you successful? _____
- How could this help an organization? _____

Telling Your Story

Choose your strongest example and practice:

- Challenge: Brief context of the situation

- Action: What YOU specifically did

- Result: The impact you made

- Value: How this shows your expertise

Remember: Your experiences aren't just stories – they're evidence of your expertise! Ready for more interview tips and resources? Visit our [Career Resource Library](#). **Let's get growing!**
