

## Frequently Asked Questions: Negotiate Like a Pro™

Your professional value deserves to be recognized and rewarded. Negotiate Like a Pro™ provides the expert guidance and practical tools you need to navigate compensation discussions successfully.

### Course Content & Value

#### What does this course cover?

Negotiate Like a Pro™ includes 5 comprehensive modules of expert video training (2.5 hours total) that teach you how to:

- Research and determine your true market value
- Discuss compensation strategically
- Handle challenging negotiation scenarios
- Secure your complete compensation package
- Use proven negotiation scripts and strategies

#### Can I preview the course before purchasing?

Yes! We offer a free preview of our introductory module so you can experience how we'll help you advocate for your worth with confidence. [Click here to see our approach to authentic negotiation](#) that gets results while maintaining positive professional relationships.

#### What if I'm uncomfortable with negotiating?

This course is specifically designed for professionals who find negotiation challenging. You'll learn approaches that feel genuine and confident, allowing you to advocate for your worth while maintaining positive professional relationships.

#### How can this course help my career?

Women often earn less than equally qualified men. One reason is that women don't negotiate as often. The act of negotiating demonstrates your professional value by asserting your worth.

## Frequently Asked Questions: Negotiate Like a Pro™

This course teaches you how to confidently advocate for what you deserve while maintaining positive professional relationships.

### How is this different from other negotiation courses?

Negotiate Like a Pro™ is specifically designed for women in the mid-stage of their career. It focuses on building authentic confidence in your value rather than using aggressive tactics. You'll learn practical strategies that align with your style while ensuring you receive fair compensation for your expertise.

### What results can I expect?

Like our client Felicia A., you'll develop:

- Confidence in communicating your value
- Strategies for researching market compensation
- Skills to handle challenging negotiation situations
- Tools for securing comprehensive compensation packages
- Ability to advocate for your worth effectively

## Format & Access

### What technology do I need to take this course?

The course is designed to be simple and accessible. You'll just need:

- A reliable internet connection
- A computer, tablet, or smartphone
- A current web browser (like Chrome, Safari, or Firefox)

No special software or technical expertise required!

### How is the course delivered?
