My Authentic Networking Guide

You're steps closer to building genuine professional relationships! This brief assessment will help you identify your natural networking style and develop an authentic approach.

Quick Assessment

Take a moment to reflect:

1. Which networking environments feel most comfortable? (Check all that apply)
 - One-on-one conversations
 - Small group discussions
 - Industry events
 - Online communities
 - Volunteer settings
2. What unique value can you offer others? List your:
 - Top 3 areas of expertise: _____
 - Favorite topics to discuss: _____
 - Resources you enjoy sharing: _____
3. What's your biggest networking concern?
 - Initiating conversations
 - Following up
 - Asking for help
 - Maintaining connections
 - Other: _____

Understanding Your Style

Your preferred environments and offerings reveal your authentic networking style. Focus first on situations that feel natural while building confidence in other settings.

Next Steps

1. Choose ONE comfortable networking environment to focus on this month.
2. Identify ONE piece of expertise you'll start sharing.
3. Plan ONE follow-up with a current connection.
